

STAFF REPORT

SUBJECT: Annual Adjustment of the Regional
Transportation Impact Fee (RTIF)

RECOMMENDED ACTION: Motion to Approve the Annual Fee
Adjustment identified in Table 1

DISCUSSION:

SUMMARY:

Based on Section 3.2 from the RTIF Operating Agreement, the region-wide RTIF fee schedule is annually adjusted by each Participating Agency at the beginning of each fiscal year (July 1). The approved annual adjustment methodology is a rolling three-year average of the Engineering News Record California Construction Cost Index (CCCI). Based on this methodology, an adjustment of the fees of +2.86% is indicated. Attachment “A” provides the calculation details.

Table 1, below, illustrates the new fee resulting from the annual administrative adjustment methodology discussed above and reevaluation of the “Other” category from the RTIF AB 1600 Update.

Table 1: Annual RTIF Programmatic Fee Adjustment FY 2018/2019

Land Use Type	Current Fee Schedule	Annual Change @ 2.86%	FY 18/19 RTIF Schedule
Residential (Single Family DUE)	\$3,311.64	\$94.71	\$3,406.35
Residential (Multi-Family DUE)	\$1,986.98	\$56.83	\$2,043.81
Retail (Sq. Ft.)	\$1.32	\$0.04	\$1.36
Office (Sq. Ft.)	\$1.66	\$0.05	\$1.71
Commercial/Industrial (Sq. Ft.)	\$1.00	\$0.03	\$1.03
Warehouse (Sq. Ft.)	\$0.42	\$0.01	\$0.43
*Other (per Trip)	\$102.12	\$2.92	\$105.04
*Alternative fee calculation method for development projects not otherwise adequately represented in the six land-use categories; typically projects with minimal or no building area that would nonetheless generate impacts to the transportation network. Examples include mining, intermodal, and recreational facilities.			

RECOMMENDATION:

Recommend approval of the new RTIF fee schedule, shown in Table 1, resulting from the annual adjustment to go into effect July 1, 2018.

FISCAL IMPACT: The ongoing cost of administering the RTIF is anticipated in SJCOG's FY 18-19 Overall Work Program (OWP) and will not be affected by this action.

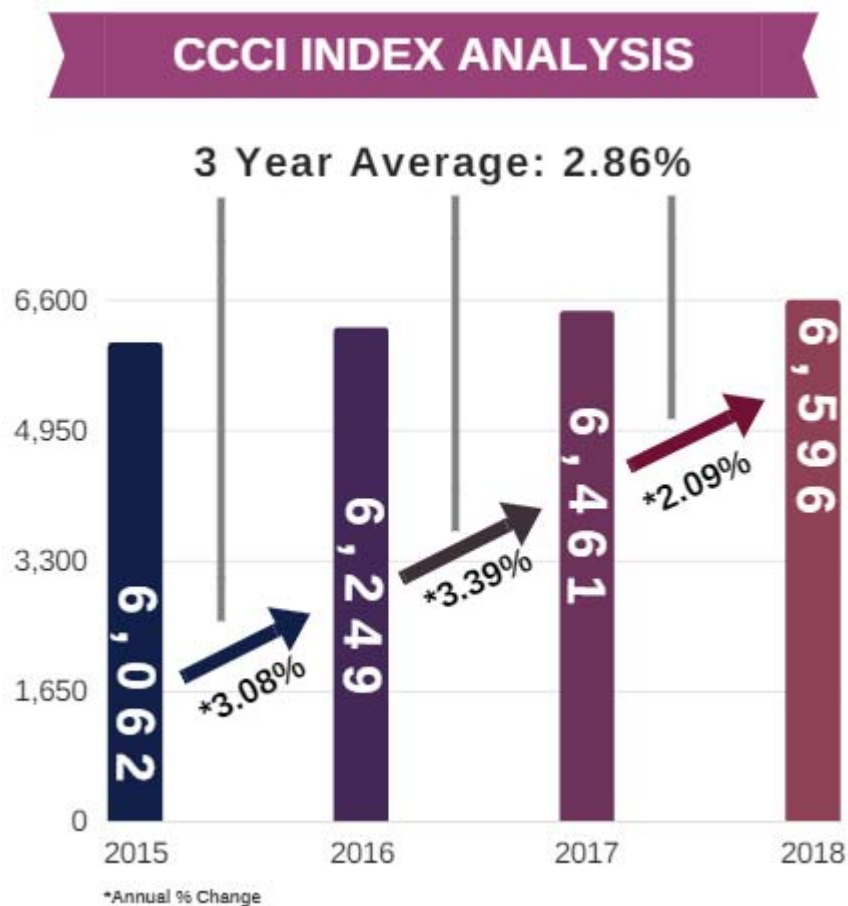

BACKGROUND:

Annual Fee Adjustment

The original RTIF Operating Agreement was fully executed by SJCOG and all member agencies in 2006; a revised agreement was approved by the SJCOG Board in April 2015 and was approved by resolution by the governing boards of each member jurisdiction as of October 2015. As part of the program's policy, the RTIF fee structure is to be adjusted on an annual basis. Section 3.2 from the Operating Agreement states that the fee shall be adjusted by each Participating Agency on an annual basis at the beginning of each fiscal year (July 1) based on a three-year rolling average of the California Construction Cost Index (CCCI). The indices and adjustment calculation are detailed below. The historical CCCI table is included as Attachment A

to the staff report. April CCCI statistics of the past four years determined the growth percentage per year. The yearly growth percentage is averaged to derive the fee percentage increase for a fee adjustment.

COMMITTEE ACTION:

The Citizens Advisory Committee (CAC), Technical Advisory Committee (TAC), and Management & Finance (M&F) have all approved this item. At the time of reporting the Executive Committee has not reviewed the report but will at their meeting taking place May 18, 2018.

NEXT STEP(s):

Each participating agency will need to adjust their RTIF structure accordingly to take effect on July 1, 2018.

SJCOG Staff will prepare the RTIF Annual Report for Fall 2018 adoption.
