The San Joaquin Regional Transit District has submitted a Revised Transportation Development Act (TDA) Claim for Fiscal Year 2017-18. The total claim is for \$17,868,465 in Local Transportation Funds (LTF), which includes \$248,000 of previous year's unclaimed and \$4,721,131 in STA funds, which includes \$250,000 of NEMT (Non-Emergency Medical Transportation Funds), \$22,000 of previous year's unclaimed funds and \$613,196 of unexpended carryover.

To summarize, SJRTD's TDA claim is for the following purposes and amounts:

<b>Less: Unexpended Carryover/Planning &amp; Admin.</b>	<b><u>(\$1,211,586)</u></b>
<b>Net Funds Due to SJRTD</b>	<b><u>\$21,378,010</u></b>

\*Unexpended carryover is funds claimed in a previous year and already paid to RTD, but hasn't yet been spent. Planning & administration is the allocation made to SJCOG.

A review of the most recent fiscal and compliance audit for SJRTD revealed nothing that would preclude approving the present allocation. The Transportation Development Act requires that the Board makes specific findings before allocating TDA funds. These findings, as they apply to SJRTD, are identified and stated in the resolution to approve the claim

The Executive Director has approved the claim subject to SJCOG Board endorsement. It is recommended that the SJCOG Board endorse the Executive Director's action.
