DISCUSSION:

The City of Escalon has submitted a Transportation Development Act (TDA) Claim for Fiscal Year 2017-18. The total claim is for \$1,880,232 in Local Transportation Funds (LTF), including \$31,800 of previous year's unclaimed, \$1,587,648 of unexpended carryover and \$1,111 in STA funds.

To summarize, the City of Escalon's TDA claim is for the following purposes and amounts:

--	---------

The amounts being claimed are available, and the intended claim purposes are eligible expenses. A review of the most recent fiscal and compliance audit for the City of Escalon revealed nothing which would preclude approving the present allocations.

The Transportation Development Act requires that the Board make specific findings before allocating TDA funds. These findings, as they apply to the City of Escalon, are identified in the resolution to approve the claim. In the opinion of the Executive Director, these findings have all been met.

The Executive Director has approved the claim subject to SJCOG Board endorsement. It is recommended that the SJCOG Board endorse the Executive Director's action.

FISCAL IMPACT:

None to COG. This claim represents a significant source of funding for transit services for the City of Escalon and also represents a substantial revenue source for local streets and roads and bicycle and pedestrian projects.

Failure or delay in approving this claim will impact the City of Escalon's ability to pay for transit services and fund its pedestrian and bicycle program.
